

Security Account Manager Cover Letter

76276 Mohr Junctions East Latoniatown, RI 62435

Dear Landry Lynch,

I am excited to be applying for the position of security account manager. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for guidance to Information Security Consultants, Information Security Specialists, and IT Architects in the development of end-to-end security solutions that leverage the infrastructure, products and/or capabilities within the area of focus.

My experience is an excellent fit for the list of requirements in this job:

- Target focused, motivated and results oriented
- Proactive and flexible to customer and company requirements
- Experience in the international work environment
- University background is preferred
- Experience in utilising Microsoft Windows, Microsoft Office and database entry
- Provide monthly reports to the facilities and corporate security organizations detailing all pertinent activities that have occurred in the previous month concerning any security and safety issues
- Provide client with timely, appropriate communication to make sure that their needs are being met
- Assess need for additional training of employees and communicates need to Training Manager

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Skyler Brekke
