- Experience of using open-source tools and commercial tools such as but not limited to Burp Suite, Metasploit, Nessus, Acunetix, Checkmarx, Nexpose with operating systems Windows and Linux
- Familiar with IT security concept, tools and cyber-attack
- Knowledge and experience for SIEM tools, endpoint protection, threat detection tools
- Diploma in computer science or related field
- Basic of OSI Layer, TCP/IPS
- Understanding of Hubs, Switches and Routers, IP Address and sub netting

Thank you for taking your time to review my application.

Sincerely,

Tyler Grant
