

# Security Operations Specialist Cover Letter

7641 Keneth RowDelmarmouth, GA 09989

**Dear Briar Legros,**

I submit this application to express my sincere interest in the security operations specialist position.

In the previous role, I was responsible for assistance and support to Emergency Response Plans, and render assistance to Emergency Operations Centers and our Global Security Operations Center.

Please consider my experience and qualifications for this position:

- Familiarity with OWASP/CIS security controls
- Familiarity with security & risk assessment frameworks (ISO27001/02, NIST, COBIT5)
- Network architecture and secure network design, next-generation firewalls, intrusion prevention systems, etc
- Microsoft Active Directory security and management principles
- Authentication, identification, and authorization mechanisms
- Defense in depth security strategies
- Least privilege access strategies
- Access control models

**I really appreciate you taking the time to review my application for the position of security operations specialist.**

Sincerely,

Casey Terry
