

# Security Operations Specialist Cover Letter

371 Willette Crest Vandervortton, OH 76800-6525

**Dear Stevie Predovic,**

I would like to submit my application for the security operations specialist opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for security for the Lottery headquarters building and grounds by performing patrol of assigned area of staffing a fixed post assignment.

Please consider my qualifications and experience:

- Assist with the development of a health, safety and physical security strategy for Etsy's global offices to minimize risks and engage employees
- Assist with the development of processes, procedures, and tools to support the strategy, and manage implementation in the EU / APAC
- Work closely with local operations team and consultants to ensure health, safety, and security policies and procedures are in compliance with local regulations
- Working in close coordination with our technical/engineering security and corporate IT teams to support all safety and security initiatives
- Carry out assessments across Etsy's global sites to ensure that Etsy key performance indicators (KPI's) are met and tracked
- Manage and assist with the development of site based health, safety, and security audits
- Support the content and upkeep of various internal health, safety and security webpages
- Manage and support access card and mass notification software

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Casey Boyle
