Senior Admin Cover Letter

73938 Antonio WalksKerlukefurt, NV 99586

Dear Emerson Kshlerin,

I am excited to be applying for the position of senior admin. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for financial analysis and modeling expertise for operational revenue and margin results, forecasts, and budgets.

My experience is an excellent fit for the list of requirements in this job:

- SME knowledge of network resiliency tools such as (IPMP, Nic teaming)
- Knowledge of Puppet, Spacewalk or RedHat Satellite is a requirement for this role
- Firewall administration experience (Checkpoint NG)
- Experience with LAN/WAN architecture
- Firewall administration experience (Checkpoint, Juniper, Cisco)
- Incident, Problem and Change Management of File, Backup, Enterprise and Archive Storage Infrastructure
- Member of a global 24 X 7 on call support team providing coverage to Storage and Backup infrastructure for support escalations off hours or project implementation
- Regular status reporting of all projects, incidents, problems and changes being addressed to Regional Storage Lead

Thank you for considering me to become a member of your team.

Sincerely,

Briar White
