**Dear Cameron Thiel,**

Please consider me for the senior analyst, audit opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for sarbanes-Oxley compliance support to the Accounting and Finance organization.

Please consider my qualifications and experience:

- Proficient with data visualization and analytics, including using data analytics software such as Tableau, MS PowerBI, Qlikview, RStudio, ACL, IDEA, SAS, and Excel
- Results-oriented and comfortable as an individual contributor
- Demonstrated problem solving skills, adapting approach as needed
- Excellent relationship-building and communication skills, including strong written and presentation communication skills
- Significant operations experience within the health care industry
- Preferably Master in Computer Science or MBA (or equivalent)
- Proficiency in PL/SQL, Transact SQL and corresponding database environments is preferred
- Familiarity with Oracle and SQL databases

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Brooklyn Bayer
