

Senior Analyst, Audit Cover Letter

51302 Bogisich Inlet West Vannesaberg, WI 25488-1838

Dear Tatum Daniel,

I submit this application to express my sincere interest in the senior analyst, audit position.

Previously, I was responsible for support for SARBANES-OXLEY and internal control requirements.

Please consider my qualifications and experience:

- Familiarity with dashboard, data reporting and data manipulation tools (i.e., Tableau, SSRS, Hyperion, SSIS)
- EETS is seeking a Senior Audit and Program Control Analyst with strong program audit/program controls and governance background
- Advanced application of ACL software for data analytics in a complex business environment, including the application of general statistical concepts against large volumes of data
- CPA license and/or member of State Bar preferred
- Preferred professional designations, including CIA, CPA, CISA or similar
- Strong working knowledge of data analytics and programming tools (ACL, Excel, Access, Tableau, SQL Developer)
- Bachelor of Accounting or Accounting & Finance (or equivalent tertiary education)
- Corporate/Institutional Banking Group (IBG/GTS) banking knowledge

Thank you for your time and consideration.

Sincerely,

Rory Nader
