

Senior Analyst Regulatory Cover Letter

3296 Roger Inlet South Bennychester, MS 40140-2972

Dear Onyx VonRueden,

Please consider me for the senior analyst regulatory opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for support to the GTM along with the appropriate teams for response to country/regulatory and IRB/IEC.

Please consider my experience and qualifications for this position:

- Knowledge of food/nutrition regulations, communicating and interpreting regulatory challenges
- Experience leading cross functional global project teams through successful risk management
- RAPS certification desirable, or experience with food/nutrition laws
- Engage in the final UAT data validation testing exercise before delivery in Production
- Design test scenarios for parallel run and lead the implementation of the scenarios against FSA returns
- Ensure any defects are raised, monitored and re-tested for user acceptance
- UK GAAP adjustment analysis and mapping to FinRep templates
- Mapping of financial information to relevant FinRep templates

Thank you for your time and consideration.

Sincerely,

Briar Collier
