

Senior Analyst Regulatory Cover Letter

567 Okuneva Garden Larkinberg, IA 04951-5788

Dear Ryan Kling,

Please consider me for the senior analyst regulatory opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for guidance on EMC testing as required by IEC/EN 61326 and IEC/EN 60601-1-2.

My experience is an excellent fit for the list of requirements in this job:

- Understanding of automotive financing principles, strategies, systems, processes, and industry benchmarks
- Demonstrated research, deductive skills and problem solving and analytical skills
- Conceptual thinking, negotiation, and persuasion skills
- Requires BS/BA in accounting, finance, economics, or other business discipline
- Exhibited expert technical skills and attention to detail
- Solid working knowledge of MS Office (Excel Word)
- Develop a deep understanding of the Resolution Plan (RP) objectives and strategies so as to guide other parts of the organization
- Coordinate with all levels of personnel across Discover's internal teams, including Legal, Accounting, Corporate Risk Management, Treasury, and other business areas, to ensure the timely annual regulatory submission of the Resolution Plan

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Jordan Spinka
