

Senior Assembler Cover Letter

71537 Sena RoadsLake Tracey, NH 86991

Dear Robin Wiza,

Please consider me for the senior assembler opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for mechanical tolerance analyses and design for manufacturing of precision optical-electro-mechanical systems.

My experience is an excellent fit for the list of requirements in this job:

- Preferably previous experience in a similar role or experience with mechanical machinery
- Mechanical assembly experience or mechanical aptitude
- Previous experience reading blue prints preferred
- Moderate climbing on step stools or platforms
- Gear box build experience with gear pattern identification
- Basic understanding of plating process
- Leak test experience
- Experience with audio video preferred

Thank you for your time and consideration.

Sincerely,

Brooklyn Skiles
