

Senior Audit Manager Cover Letter

51048 Osinski DaleRoyalburgh, VT 56330-6174

Dear Oakley Labadie,

I submit this application to express my sincere interest in the senior audit manager position.

In the previous role, I was responsible for support to the SOX compliance and IT audit functions as well serving as the liaison to the IT and Business units.

My experience is an excellent fit for the list of requirements in this job:

- Functional/industry specialization, ideally in Construction, Manufacturing and/or Non-Profits
- A well-developed local/regional industry profile
- Support the SVP Group Risk & Assurance to deliver the overall strategy and objectives for the function
- Assist the SVP with the preparation of Audit Committee papers, Risk Committee papers and monthly reports for senior Executives
- Actively contribute to the development, profile and strategic direction of the Internal Audit Department
- Lead relationships with key stakeholders to ensure Internal Audit remains a relevant, valued business partner by stakeholders
- Work collaboratively with other Senior Internal Audit Managers to develop the Audit Universe and the resulting Annual Audit Plan and the ongoing management of audit delivery, scheduling and team workload
- Lead the delivery of assigned audits and specific risk management and programme assurance activities

Thank you for your time and consideration.

Sincerely,

Charlie Towne
