

Senior Audit Manager Cover Letter

5977 Gottlieb ShoresDelmerchester, ID 53920

Dear Cameron Spinka,

I would like to submit my application for the senior audit manager opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for updates to the Audit Committee and Senior Management, including critical issues that may arise and changes in regulatory environment that may impact the Company.

Please consider my experience and qualifications for this position:

- Excellent (written and oral) communication skills and know how to engage constructively with senior management and deal with significant exposure environments
- Work creatively and analytically in a problem solving environment think through complex challenges and deliver results
- Have high drive and energy and strong team spirit
- Experienced IT auditor with a Professional IT audit or security qualification (CISA, CISM, CISSP or equivalent) preferred
- Good working knowledge range of IT regulations and disciplines, including change (particularly Agile), run
- Extensive IT operations, process and assurance knowledge and broad business knowledge (preferably insurance industry), including specific advanced skill and competence in at least one core IT assurance area
- Broad and in depth knowledge of industry standard frameworks and best practice (e.g , Technology Risk Management Guidelines (MAS), Information Technology Outsourcing (MAS), Guidance Note on the Use of Internet for Insurance Activities (OCI), COBIT, ITIL, CMM, relevant International Standards)
- Experience post professional qualification in appropriate business environment (including IT, IT assurance, governance & security)

Thank you in advance for taking the time to read my cover letter and to

Sincerely,

Haven Cormier
