

Senior C, .NET Developer Cover Letter

91067 Nakita StationWaynechester, IL 74171-8045

Dear Sam Carter,

I would like to submit my application for the senior C, .NET developer opening. Please accept this letter and the attached resume.

Previously, I was responsible for technical leadership in all phases of the development lifecycle, especially in product debugging and problem analysis.

Please consider my qualifications and experience:

- Very good knowledge of .NET framework (C# language)
- Good knowledge of Web-based applications (ASP.NET MVC or Web Forms)
- Very good understanding of OOP principles, design patterns, and best programming practices
- Knowledge of frontend development (HTML5, CSS3, JavaScript frameworks)
- Analytical thinking, positive energy, proactivity, ownership or results, „I can do“ attitude, strong thirst for knowledge
- Document databases
- Identify and discuss scenarios and solutions
- Corrective and evolutive maintenance on existing applications

Thank you for taking your time to review my application.

Sincerely,

Sutton Hermann
