Dear Tyler Paucek,

I would like to submit my application for the senior C, .NET developer opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for client engineering input to scope definition for specific unit operations design along with associated support systems and infrastructure.

Please consider my experience and qualifications for this position:

- Experience Debugging and Troubleshooting software
- MS Windows programming C#/.NET
- MS Windows Application Development
- ASP.NET Web Application Development
- Microsoft Azure Platform and Azure SDK
- Clients EIP SDK Programming Experience
- Technical skills in Microsoft-centric web development (ASP.Net, C#, MVC, Web API, Javascript, SQL Server)
- Provide thought leadership on evolving and improving technical design, development practices and team evolution and improvement

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Spencer Jones
