

Senior Clinical Research Cover Letter

8311 Georgette PortsNorth Beatafort, OH 01143-0030

Dear Dallas Murray,

I would like to submit my application for the senior clinical research opening. Please accept this letter and the attached resume.

Previously, I was responsible for coordination of various clinical research projects, including both behavioral and clinical management trials.

My experience is an excellent fit for the list of requirements in this job:

- Certificate of Completion of HIPPA training
- Certificate of completion of CITI training
- Knowledge of Code of Federal Regulations and Good Clinical Practice as it relates to spine surgery clinical trials Experience with medical record abstraction, data collection
- Sensitive to HIPAA confidentiality rules
- Excellent PC computer skills including Internet, MS Word, Excel and SPSS
- Provide leadership for staff
- Knowledge of policies and procedures regarding Committee on Human Research (CHR)
- Experience working with spine surgery patients

I really appreciate you taking the time to review my application for the position of senior clinical research.

Sincerely,

Morgan Abbott
