

Senior Director, Product Cover Letter

4700 Aufderhar Avenue West Christopher, WY 59295-5346

Dear Rowan Beahan,

Please consider me for the senior director, product opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for actionable competitive intelligence and strategy to win deals against the competition by stitching together information from competitor's technologies, business and go-to-market strategy, product strategy and messaging.

My experience is an excellent fit for the list of requirements in this job:

- A passion for being one step ahead of the market- if not two
- Strong analytical, management, and interpersonal skills
- Exceptional prioritization and time management skills
- Significant and demonstrable industry experience in product management, preferably in the Enterprise space
- Strong interpersonal and talent management skills, including experience in identifying and developing product management talent
- Experience in opportunity assessment of product offerings anchored in clear, concise market data
- Experience managing a portfolio of products including driving them from inception through delivery
- Work with newly acquired entities to understand their infrastructure to communicate to teams

Thank you for considering me to become a member of your team.

Sincerely,

Rowan Kshlerin
