

Senior Electrician Cover Letter

6471 Hubert PassDimplefurt, MI 12994

Dear Parker Jacobson,

I would like to submit my application for the senior electrician opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for appropriate learning experiences for customers. • Demonstrated change management and conflict resolution skills. • Demonstrated time management, organizational and project management skills. • Working knowledge of Microsoft Office applications. • Demonstrated ability to work with minimal direction, as appropriate.

My experience is an excellent fit for the list of requirements in this job:

- Manage all customs and logistics documentation related to electrical equipment for international transportation in accordance with headquarters' policies
- Technical Industrial Electrician License - Journeyman electrician Certified
- Extensive experience with energized conductors up to 480vac
- Experience with a building management system
- Demonstrated working knowledge in the use of test equipment such as digital voltmeters, amp meters, thermal imaging for electrical troubleshooting
- Knowledge and understanding of working safely in an electrically energized environment
- Knowledge of current electrical safety standards the NEC
- Electrical background and experience

I really appreciate you taking the time to review my application for the position of senior electrician.

Sincerely,

Parker Moore
