

# Senior Electrician Cover Letter

12731 Vesta BurgsCorwinfurt, CO 82557-2813

**Dear Marion Parker,**

I submit this application to express my sincere interest in the senior electrician position.

Previously, I was responsible for guidance on DB deployment, best practices, reviewing blueprints and leading the team in creating blueprints from a DB perspective.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Order forms, inventory/order
- Able to work independently and fit into a team
- Satisfy customer needs
- Give input on continuous improvement initiatives
- Adapt and manage change
- Adhere to all safety and work procedures and standards
- N3 Electrical or equivalent/ Grade 12 with Math's, Science & English
- Trade test certificate - Electrical (NQF 4)

**Thank you for your time and consideration.**

Sincerely,

Avery Hintz
