

Senior Front End Developer Cover Letter

8425 Ozzie Vista South Nathalie, PA 66834-4182

Dear Sam Herman,

I submit this application to express my sincere interest in the senior front end developer position.

In my previous role, I was responsible for on-going communication to key stakeholders, including Project Managers and D&A Senior Management to ensure they are aware of significant changes to the project / program status in a timely manner.

Please consider my qualifications and experience:

- Expert understanding of HTML / CSS
- Experience writing code that runs in a browser
- JavaScript Expert-Level Knowledge
- JavaScript MVVM frameworks Knowledge
- HTML5/CSS (with Sass or LESS) Expert-Level Knowledge
- An understanding of accessibility, bandwidth and cross-browser compatibility issues
- A good knowledge about Responsive Web design approach and mobile design challenges
- Expert level knowledge of CSS and SASS

Thank you for taking your time to review my application.

Sincerely,

Armani Bruen
