

Senior Front End Developer Cover Letter

7364 Jason Dale East Micah, PA 19587-9659

Dear Story Cummings,

In response to your job posting for senior front end developer, I am including this letter and my resume for your review.

Previously, I was responsible for improvements in page delivery, Javascript execution, scrolling and navigation.

Please consider my experience and qualifications for this position:

- Basic understanding of marketing principles and how to develop solutions oriented design
- Proficiency working with InDesign, Photoshop and Illustrator
- Strong communications skills with both technical and non-technical staff
- Jasmine or Karma
- Fabric or Jenkins
- Experience working with cutting edge technology in all areas of the stack
- HTML5, CSS3, JavaScript, and Mobile Responsive knowledge
- Extensive experience with HTML5, CSS3, and javascript

Thank you for taking your time to review my application.

Sincerely,

Indigo Jones
