

Senior Information Cover Letter

904 Madison FlatsLake Christopher, NE 04681-7197

Dear Riley Koepp,

I would like to submit my application for the senior information opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for technical expertise on security technologies, configuring security alerts and reports, and incident response.

My experience is an excellent fit for the list of requirements in this job:

- Continuous delivery/integration experience
- Strong knowledge and experience with software development languages & tools C#, ASP.net/MVC, MS visual studio, MS TFS
- Excellent knowledge of object oriented design patterns, unit testing and test driven development, continuous delivery/integration
- Expert in soap and restful services
- Experience with data analytics including big data science
- Experience with/exposure to use of Enterprise Architecture framework
- Build and sustain relationships
- Be passionate about client service

Thank you for considering me to become a member of your team.

Sincerely,

Briar Turcotte
