

Senior Information Cover Letter

995 Hilll ShoalLorenville, MS 93661-2281

Dear Shiloh Jakubowski,

Please consider me for the senior information opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for complex troubleshooting and incident support for IAM related issues for multiple platforms and technologies.

Please consider my experience and qualifications for this position:

- Solid understanding of document based DB (json, xml)
- Solid understanding of graph/triple store DB
- Knowledge of R&D, Business, Financial, Competitive Intelligence gathering, Regulatory Affairs, and general information resources
- Some vendor negotiation skills
- Customer focus, detail oriented, organized, self-directed, strong multi-tasking abilities, and a dedication to quality
- Proficient in Microsoft Office and current information / library technologies
- Working knowledge of information and data security practices
- Experience in working with senior-level decision-makers in the DoD, Department of the Navy, and individual armed services

I really appreciate you taking the time to review my application for the position of senior information.

Sincerely,

Zion Batz
