

Senior Instock Manager Cover Letter

20246 Shirley TraceEviabury, NM 76938-0705

Dear Lennon Schultz,

I am excited to be applying for the position of senior instock manager. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for feedback on forecasting and buying systems, and manage efficient inbound and outbound inventory flows and health, including forecasting, purchasing, and managing down unproductive inventory.

Please consider my experience and qualifications for this position:

- Track record of managing complex projects involving multiple stakeholders
- Technical aptitude and agility to leverage web-based tools
- Experience of working in e-commerce
- Advanced Excel, basic SQL skills
- Previous experience in consulting, technology or FMCG
- MBA from a premier business school or similar qualification
- Relevant experience in inventory planning, operations/supply chain management, consulting and/or finance
- Close collaboration with key vendors to improve their operational excellence, always looking to identify opportunities to scale and automate across vendors and marketplaces

I really appreciate you taking the time to review my application for the position of senior instock manager.

Sincerely,

Denver Abernathy
