

Senior Maintenance Manager Cover Letter

5814 Robbyn BrooksLangworthmouth, AK 08257

Dear Blake Hayes,

Please consider me for the senior maintenance manager opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for technical support and expertise for all automated equipment, building infrastructure, systems, and controls to maintain efficient and reliable operation, including the completion of accurate and up-to-date GMP documentation.

Please consider my qualifications and experience:

- Managing a team of disbursed cross-functional personnel in a dynamic, fast paced environment
- Demonstrated knowledge of Naval Ship Maintenance community
- Experience with MS Project, Project Documents/ MS Power Point/Briefings
- Agile SDLC execution experience
- Projects – involvement with new projects from the start (RFQ process, bid evaluation, test runs,) to ensure low life cycle cost and reliable machines
- All vibration conditioning monitoring of rotating equipment
- All dynamic balancing of rotating equipment components
- Management of Rotating Equipment workshops

Thank you for taking your time to review my application.

Sincerely,

Zion Davis
