

Senior Maintenance Manager Cover Letter

8280 Major TrailNorth Spencerland, MT 17128

Dear Denver Rowe,

Please consider me for the senior maintenance manager opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for engineering support for modifying and maintaining the automation systems, building utilities and equipment to ensure optimal operation and reliability of the plant.

Please consider my experience and qualifications for this position:

- Proficient with SAP and the different modules in the integrated business system
- Active participation in technical fault finding and risk management
- Build and maintain customer relationships on all levels
- Ensure effective and efficient services and contractor management
- Support service delivery by setting clear goals and service level agreements
- Define strategy and priorities for the L3 Support & Maintenance Portfolio Technology in alignment with Business Target State/Strategy and Enterprise TS Strategy
- Primary contact / relationship point person for the L3 Support & Maintenance Portfolio
- Proactively manage risk and compliance for the L3 Support & Maintenance Portfolio

Thank you for considering me to become a member of your team.

Sincerely,

Campbell Ullrich
