

Senior Manager, Production Cover Letter

90084 Mickey Square Alliefurt, AL 06812-8954

Dear Landry Kirlin,

In response to your job posting for senior manager, production, I am including this letter and my resume for your review.

In my previous role, I was responsible for managerial oversight of production applications, including ensuring the business's investment is returning value.

My experience is an excellent fit for the list of requirements in this job:

- Focus on innovation and continuous improvement with good track record of innovative contributions
- Strong, demonstrated leadership capabilities in managing and developing teams
- Familiar with the current technology and workflows for both HD and 4K, single cam and multi-cam event
- Significant firm fixed price, defined delivery experience
- Extensive military vehicle or automotive production experience
- Extensive experience with USMC or US Army product development, production, and fielding processes
- Experience with USMC or Army Program management
- Experience managing foreign subcontractors, suppliers, and/or vendors

Thank you for your time and consideration.

Sincerely,

Shae Walter
