

Senior Manager, Production Cover Letter

829 Rana TraceEldridgeborough, MO 76281-2876

Dear Morgan Osinski,

I submit this application to express my sincere interest in the senior manager, production position.

Previously, I was responsible for thought leadership in analytic techniques and business applications to unlock the value of Visa's unique data set.

Please consider my experience and qualifications for this position:

- Experience in with Linux, UNIX and Windows Operating System
- Experience in driving service Improvements via automation and Scripting using – Perl/Python/UNIX Shell
- Prior experience in working in a staff-Aug production support project
- Prior experience in Process Improvement and Automation initiative in Support projects
- Industry certifications preferred (any technology field)
- Deep knowledge of Cisco UCS configurations and best practices
- Deep knowledge of VMware vSphere 5.5 and 6.0
- Strong interpersonal, communication and customer service skills excellent project and budget management skills

Thank you for taking your time to review my application.

Sincerely,

Indigo Gulgowski
