**Dear Azariah Pollich,**

I would like to submit my application for the senior manager, project management opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for strategic project leadership as it relates to project direction and objectives, project governance, prioritization, operating framework, resource management, change management, quality management, risk management, and issue management.

My experience is an excellent fit for the list of requirements in this job:

- Advanced project management and program management skills, to include planning and execution
- Experienced as Program manager directly reported to senior management in delivering successful organization wide programs with multiple projects ongoing
- Having experience at bank /financial institute transformation programs is helpful
- Strong background in Program and Project Management practices, tools, and standards
- Hands-on experience defining, delivering and adoption of a consistent methodologies in a complex, matrixed organization
- Achieved proficiency in roles of project and program management (preferred)
- Skills working in a collaborative and matrix environment, building and sustaining effective relationships at all levels of the organization
- Hands-on experience in delivering scalable methodologies across a broad matrixed organization

**Thank you for taking your time to review my application.**

Sincerely
