

Senior Manager, Project Management Cover Letter

221 Karlene Mills North Bennie, LA 57583

Dear Casey Johnston,

Please consider me for the senior manager, project management opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for guidance to Project Managers regarding development of project plans including project management plans, quality plans, and risk plans.

Please consider my qualifications and experience:

- Engaging, empathic open and react to feedbacks and improve
- Proven track records on wide areas of tools
- Coach junior team members through providing feedbacks to support the development and performance of the team
- Support recruiting
- Fosters a team culture that encourages trust, open and constructive discussion of important issues
- Software change experience including end-to-end management of the software delivery lifecycle, preferably in a Waterfall or Agile methodology
- Stakeholder management to senior manager / executive level and with external and offshore delivery partners
- Experience of people management ideally within a matrix environment

Thank you for taking your time to review my application.

Sincerely,

Haven Kuhlman
