

# Senior Manager, Project Management Cover Letter

646 Emely Mill East Barrettburch, MD 65740

**Dear Rory Walsh,**

I submit this application to express my sincere interest in the senior manager, project management position.

In the previous role, I was responsible for input into the project strategy and vision through expertise in project management, execution and governance, ensuring alignment of the project and operational deliverables.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Demonstrated experience in planning in child welfare events
- Experience in planning different types of events such as virtual and in person
- Demonstrated experience in developing project management plans and Run of Show documents
- Successful stakeholder management in large, multi-national, diverse environment including but not limited to senior executives
- Cross-functional/cross-product integration of design concepts
- Experience in service design creation including, Customer journey perspective
- Service management frameworks and concepts
- Digital service/request management technology

**Thank you for taking your time to review my application.**

Sincerely,

Tatum Heidenreich
