

# Senior Manager, Retail Cover Letter

6893 Eldon MountainsPort Janella, OK 65992-2233

**Dear Morgan Wunsch,**

I submit this application to express my sincere interest in the senior manager, retail position.

Previously, I was responsible for eHS expertise for new processes, new products, and technologies and participate in the change control process of the site.

Please consider my experience and qualifications for this position:

- Management of planning and messaging alignment
- Integrated Advertising
- Knowledge of US Retail landscape and Sales knowledge an asset
- Experience with retail systems, retail OMS, payment systems, EMV compliance, PCI certification and audits store processes involved with the store associate touchpoints
- Associate-centric orientation with proven track-record of developing and acting on data insights
- Knowledge of store operations, supply chain operations, industry trends, and technologies
- Experience with EMV compliance and processes
- Experience with Bank Certification, PCI Audits and Compliance and Security in general

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Skyler Haley
