

Senior Manager, Retail Cover Letter

561 McGlynn VillageAddiechester, AK 17674-5704

Dear Casey Willms,

I am excited to be applying for the position of senior manager, retail. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for market feedback to internal leaders in the areas of product development, marketing, and research to drive the development of new and improved products and services.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Prior IT experience implementing large scale retail store systems or other large program implementation
- Prior experience with and deep understanding of complex retail business processes
- Strong presentation skills and reporting experience
- Knowledge and experience within the IT industry, preferably Print and PC market
- Working understanding of technical requirements of cross-border logistics
- Experience with logistics and supply chain programs
- Successful product or project management experience
- Proficiency with SQL and Excel and systems

Thank you for your time and consideration.

Sincerely,

Sutton Johns
