

Senior National Account Manager Cover Letter

59171 Shea Loop West Chong, ME 06895

Dear Quinn DuBuque,

I submit this application to express my sincere interest in the senior national account manager position.

Previously, I was responsible for market feedback and competitive insight to ensure we continue to grow market share and out hustle our competitors.

My experience is an excellent fit for the list of requirements in this job:

- Communicate safety initiatives, rules and guidelines for office or region
- Good negotiator/commercially savvy
- Experience of ecomm/pureplayers
- Experience should involve selling consumer products to national accounts, preferably experience with Lowe's
- Experience should involve selling consumer products to national accounts, preferably experience with Home Depot
- Be fluent in Dutch or French
- Customer management & selling essentials - ideally previous experience of performing a Customer Account Manager role
- Location suited to the South of England Bristol / London

I really appreciate you taking the time to review my application for the position of senior national account manager.

Sincerely,

Dallas Gulgowski
