

Senior .NET Software Engineer Cover Letter

662 Bechtelar CornerLake Raphael, AR 73910-2525

Dear Casey Hermann,

Please consider me for the senior .NET software engineer opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for constructive feedback to management staff during all phases of the software lifecycle to keep development priorities aligned with business needs.

Please consider my experience and qualifications for this position:

- Oracle /PS SQL
- BA/BS in Computer Science or equivalent discipline
- An understanding of both post-back and AJAX page update models and page lifecycles
- Experience using the Visual Studio environment to read, modify, create, and debug C# code
- ASP.NET with C#, SQL, Oracle, LINQ, IIS, Webforms
- TFS, Entity Framework, WCF, Windows Forms, ASP.NET MVC
- Work experience in relational database such as MS SQL Server
- Hands on programming experience in C#4.0, ASP.net

I really appreciate you taking the time to review my application for the position of senior .NET software engineer.

Sincerely,

Bellamy Kilback
