

Senior Physician Cover Letter

1383 Robbie SpringsKemmerton, VA 71179-4128

Dear Royal Jast,

I am excited to be applying for the position of senior physician. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for first contact, continuous, comprehensive primary care for adults according to current standards of care, the patient centered medical home model of care, Army policy, and relevant regulations.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Manages and leads through periods of rapid change
- Prefer familiarity with the laws that govern healthcare valuations, including Stark and Kickback
- Basic to intermediate computer skills and knowledge of computer programs (Microsoft Word, E-mail, Intranet and Internet)
- Knowledge of Electronic Prescribing
- Knowledge of Electronic Lab
- Credentialing with the HealthCare District of Palm Beach County
- Certified Continuing Medical Education Professional (CCMEP)
- Experience in event planning, including basic knowledge of catering, audio/visual, venue selection, and budget development/reconciliation

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Shae Satterfield
