

Senior Scrum Master Cover Letter

9829 Lemke Junction Lake Samuel, ID 79762

Dear Haven Runte,

I am excited to be applying for the position of senior scrum master. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for guidance in Agile, Scrum, Kanban, and SAFe, lead Agile delivery teams consisting of a mix of client and contractor staff.

My experience is an excellent fit for the list of requirements in this job:

- Disseminate information to the team, including metrics and charts
- Act as the single point of contact for the Product Owner and Project Manager
- Work with other Scrum Masters to ensure organizational process improvement
- Strong understanding of Java/JEE/JSP/Database technologies and tools
- Strong understanding of DevOps and Continuous Integration and Jenkins
- Strong understanding and champion of Automation
- Industry experience in Telecom/Wireless/Wireline is nice to have
- Excellent personal and communication skills that can be used to effectively communicate technical concepts to business development teams

Thank you for considering me to become a member of your team.

Sincerely,

Emery Kreiger
