

# Senior Scrum Master Cover Letter

397 Noe Trace East Isabelstad, NV 71293-5548

**Dear Stevie Kub,**

In response to your job posting for senior scrum master, I am including this letter and my resume for your review.

Previously, I was responsible for strategic thought leadership on resolution of specific impediments to accelerated delivery through active participation in the Agile CoE.

My experience is an excellent fit for the list of requirements in this job:

- Agile PMP Certification from PMI preferred
- Knowledge of agile methodology and frameworks like Safe, LeSS, Scrum, Kanban, XP
- Proven track record in project portfolio management and establishment of project methodology standards
- Excellent communication, collaboration and influence skills among all organizational levels
- Exposure and use of scaled agile practices to support many scrum teams
- Advanced agile certifications
- Thorough understanding of agile and waterfall methodologies, values, and procedures
- Situational awareness of when to listen and when to be assertive

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Quinn Schulist
