Dear Skyler Rodriguez,

I am excited to be applying for the position of senior scrum master. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for coaching to Team Members to ensure they demonstrate appropriate Agile behaviors and following Cigna-specific Agile practices.

Please consider my experience and qualifications for this position:

- Understands how to operate in a scaled environment
- Continues role as Scrum Master while taking on additional responsibilities within the Agile community
- Acts as an Agile Champion within the organization, shaping Agile practices within their respective function
- Proactive and autonomous seeking guidance in only the most complex situations
- Share knowledge, information, skills, and subject matter expertise among and across Agile teams and ensures the timely communication of issues and encourage good working relationships with other functions and teams
- Support an environment where team freely escalates challenges
- Exposure with Travel eCommerce Web application preferred
- Expertise with Travel Domain especially with Airline and Hospitality Solutions Development preferred

Thank you for your time and consideration.

Sincerely,

Gray Stamm
