

Senior Scrum Master Cover Letter

92180 Louisa Vialsabelhaven, OH 36487

Dear Emery Zieme,

I would like to submit my application for the senior scrum master opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for servant leadership and be the guide and enabler of our agile teams on their way to success.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Project Manager (ideally PM2+/DM2+) with experience in "Scrum of Scrums"
- Experience in large & complex programs and corporate environment (multiple stakeholder, organizations, vendors)
- Agile software planning and delivery background, including understanding of development best practices, test automation, product methodologies, CI/CD
- Proven team, peer and upper alignment, management and influential leadership
- Experience with various delivery methodologies such as Agile, XP, Waterfall, Pair Programming, Offshore
- Familiarity with CA Agile Central (Rally) Agile Management tool
- Experience practicing the Scrum Master role for a software development team that applies Scrum principles and practices
- Empathic but with assertive personality

I really appreciate you taking the time to review my application for the position of senior scrum master.

Sincerely,

Emerson Von
