

Senior Specialist Developer Cover Letter

548 Feest CircleWest Justinmouth, IL 92072-1919

Dear Story Harber,

I would like to submit my application for the senior specialist developer opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for technical expertise in Big Data/NoSQL Database Design would be nice (preferred: Hive, HBase, BigSQL).

Please consider my experience and qualifications for this position:

- Experience at designing and developing dashboards and reports including dashboard prompts
- Experience in performance tuning reports and query optimization
- Experience in data level and object level security
- Exposure/knowledge of MUDE
- Experience in OBIEE installations, upgrades, and configurations for OBIEE
- Effectively work with multiple BI Developers and ETL Developers to accomplish tasks
- Experience in troubleshooting data issues in reports between data warehouse and source system
- Experience in providing user support for adhoc analysis

Thank you for considering me to become a member of your team.

Sincerely,

Landry Wiegand
