Senior Specialist Developer Cover Letter

973 Gene ViaPort Denverhaven, LA 43791-4009

Dear Max Prohaska,

Please consider me for the senior specialist developer opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for recommendations on which tools and approaches would be the best for the projects while understanding RO.

Please consider my qualifications and experience:

- Experience in data warehousing concepts
- Expertise in writing and understanding SQL
- Oracle Business Intelligence Applications (OBIA)
- Oracle EBS Applications
- Basic understanding of security concepts on a Hadoop platform – Kerberos, Sentry, AD Groups
- Proficiency in R and Shiny, alternatively good skills in JavaScript and Python
- Continuous delivery tools such as Jenkins & Docker
- Reproducible research & sweave/knitr

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Rory Gleichner
