

Senior Specialist Developer Cover Letter

31102 Lynn ParkPort Neville, CT 90795

Dear Cameron Upton,

I would like to submit my application for the senior specialist developer opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for input during design phase of projects with the objective of crafting solutions that would be operationally efficient.

Please consider my experience and qualifications for this position:

- Knowledgeable in UI development using modern Web Standards based technologies HTML5, CSS3, ES6/7
- Knowledgeable in the design of popular JavaScript frameworks Angular, ReactJS
- Superior MS Excel skills (VBA & Macros)
- Familiarity with statistical modelling
- Communication Skills (presenting over the phone, taking requirements, data tracking, having discussions with people abroad)
- Very good organizational skills, including prioritization, time-management and multi-tasking
- Fluent business English skills both written and verbal
- Knowledge of Services Operations and Finance would be a big advantage

I really appreciate you taking the time to review my application for the position of senior specialist developer.

Sincerely,

Parker Jast
