

Senior Team Manager Cover Letter

353 Danette RouteFreidafort, AK 49746

Dear Frankie Smitham,

I submit this application to express my sincere interest in the senior team manager position.

In the previous role, I was responsible for subject matter expertise on Financial Crime investigations, regulatory reporting and enhanced customer due diligence relating to Anti- Money Laundering (AML), Counter-Terrorism Financing (CTF), Sanctions and Anti-Bribery & Corruption (AB&C) risks.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Strong CLEAD leadership competencies, especially Collaboration, Execution, and Acceleration
- Basic understanding of Product Data Management (PDM) principles, processes, tools
- Strong knowledge of change management and communication best practices and principles
- Build strong teams and executes efficiently through a combination of direct, contract, and matrixed resources
- Successfully balances near term execution with long-term goals
- Strong knowledge of current Project Management methodologies
- Basic engine design, development, and calibration knowledge
- Appropriate interpersonal styles and communication methods to work effectively with global business partners to meet mutual goals

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,
