Dear Armani Green,

Please consider me for the senior web developer opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for an in-depth knowledge of PHP, MySQL, and related web technologies.

Please consider my experience and qualifications for this position:

- Ideally developed shopping carts in a ecommerce environment
- Strong with integrations, data sources for analytics
- User testing for marketing, A/B testing
- Add animations
- Some CMS experience
- Ensure proper test and production environment, can handle load and caching
- Email Marketing platform, Mailchimp or SFDC
- Exposure to Content Management System (CMS) software is desirable

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Lennon Friesen
