Dear Shae Corkery,

I am excited to be applying for the position of service consultant. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for functional expertise of Field Services systems including FWFM, ACTION, Webcare, Lantern, Multivu, SWI, TWI, ASA-V, GUT, IPAIRE systems, as well as all related supported and functional systems.

My experience is an excellent fit for the list of requirements in this job:

- Infrastructure Operations automation via automomics platforms, scripting
- Meet customers' financial transaction needs
- Provide high standards of customer service
- Outperform business goals by adopting positive relationship-based service and sales approach
- Professional experience in IT Consulting
- Knowledge of JavaScript, relational databases, and web technologies
- Knowledge of agile project management (scrum)
- Working proficiency in both German and English

Thank you for your time and consideration.

Sincerely,

Hayden Schumm
