

Services Project Manager Cover Letter

8490 Gertha RadialLashawnaport, MN 83051

Dear Lennon Treutel,

I would like to submit my application for the services project manager opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for on-site coordination of the Safety, Quality and Environmental management systems and to provide advice, support and guidance to the Project Management team.

My experience is an excellent fit for the list of requirements in this job:

- Proficient in project managements tools such as MS Project, SharePoint or MS Excel
- Demonstrated track record of people management skills
- Demonstrated experience coaching and mentoring
- Experience in web or mobile application development, SOA, Web Services, information retrieval, developing large software systems, and/or security software development
- Professional knowledge of project management methods, and estimation techniques (resources, cost, time and risks) for the relevant technical/functional discipline
- Functional Knowledge of the applied products and systems and the interaction with third party systems
- Affinity with Services Business, LEAN and commercial services
- Knowledge of quality and compliance requirements

Thank you for your time and consideration.

Sincerely,

Greer Osinski
