Dear Armani Gutmann,

I am excited to be applying for the position of shift superintendent. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for visible-felt safety leadership by ensuring safety standards and procedures are in place and adhered to;

Please consider my experience and qualifications for this position:

- Tertiary qualification in Food Science or related, Engineering or Production Management
- Experience in a FMCG or food processing industry of which at least two should be in a supervisory role
- MMP certification is a preference
- Blue seal certification is a preference
- Formal supervisory or management training/ certification
- PMP designation would be an asset
- MMP designation would be an asset
- Blue seal certification would be an asset

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Rory Hegmann
