

Shift Superintendent Cover Letter

662 Veum Station East Lonnie, ID 99817-2907

Dear Ari Graham,

I submit this application to express my sincere interest in the shift superintendent position.

In my previous role, I was responsible for a safe work environment and ensures all safety and environmental policies are being followed.

Please consider my experience and qualifications for this position:

- Knowledge of beef cuts and production process
- Broad knowledge and/or experience in several trade disciplines with expertise in at least of the major trades (e.g., test, piping, electrical, steel, and mechanical)
- Level 1 certification or higher on thermography or vibration analysis would be given special consideration
- In depth knowledge of hydraulics and troubleshooting of 480v and below essential
- Data and results oriented
- Meat processing experience, supplemented by education
- Experience in leading groups of operating employees, including setting team and individual objectives, managing individual and team performance and building a team approach to problem solving
- Poultry background is desirable

Thank you for taking your time to review my application.

Sincerely,

Emerson Towne
