

Shop Cover Letter

977 Crist MeadowProhaskabury, ME 59427-4524

Dear Story Kunze,

I submit this application to express my sincere interest in the shop position.

In the previous role, I was responsible for very proficient diagnosis and repair of various pieces of equipment and assist shop personnel with professional and timely repairs in an efficient manner to minimize downtime and expenses with the goal of assisting the fleet department in achieving its operating budget.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Prior experience as an Iron Technician, preferred
- Holds a valid CDL
- Proficient at Print Reading
- Experience in pump unit fabrication
- Prior Janitorial experience
- OK working in machine shop environment
- Knowledge of general solid controls equipment preferred
- Strong analytical problem solving skills and hands-on experience with hardware, tools, instruments, CAN logging database software or similar protocol analysis

Thank you for your time and consideration.

Sincerely,

Drew Hirthe
