

# Site Administrator Cover Letter

41361 Margarito Gardens South Magalstad, HI 23350-6071

**Dear Tyler Homenick,**

I submit this application to express my sincere interest in the site administrator position.

Previously, I was responsible for secretarial and administrative support to our teams in daily operational activities to facilitate smooth running of the department and projects.

Please consider my qualifications and experience:

- A self-starter and enthusiastic with a positive attitude
- Hands-on experience in VMware virtualization
- Knowledge in storage and cloud technologies
- Experience in administration of bigger Linux environments, number of servers +5000
- Excellent Linux skills, experience with Redhat Linux Enterprise and/or SuSe Linux Enterprise
- Knowledge of VERITAS Volume and Cluster Manager
- Working knowledge on LDAP
- Knowledge on Applying Routine Patches to environment for the involved OS Versions

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Rory Smith
